

L MATERIAL (BROWN)

	PRODUCT	WIDTH W (mm)	HEIGHT H (mm)	WEIGHT (kg/m)	MINIMUM PULLEY (mm)
 <p>The diagram shows a cross-section of a belt with a trapezoidal shape. The top edge is wider than the bottom edge. A vertical dimension line on the left indicates the height 'H' from the bottom edge to the top edge. A horizontal dimension line at the bottom indicates the width 'W'.</p>	SL - 1350	14.75	3	0.051	25
